FIELD VISITS

Please note: Field trips are exclusively for delegates who have successfully registered for these activities. Thank you for your understanding and cooperation. We appreciate your understanding and cooperation.

● Route 1: Hangzhou Xixi National Wetland Park

- ▶ **Departure Time:** Afternoon of September 25
- ▶ **Departure Locations:** 1F at car park, International Expo Center

Hangzhou Xixi National Wetland Park is China's first national wetland park that integrates city life, agriculture, and culture. It is renowned for its intricate waterways and rich ecology, with over 200 bird species and a spectacular "snow landscape in autumn with the reeds", blending natural beauty with a thousand years of cultural heritage. Upholding a "conservation first" principle and pioneering the "Xixi Model," it exemplifies harmonious coexistence between humans and nature, and has become a shining symbol of Hangzhou's ecological civilization.

● Route 2: Tianmushan-Qingliangfeng Biosphere Reserve

- ▶ **Departure Time:**
September 26, Morning
(For the specific departure time, please refer to the itinerary schedule for field trips at the hotel service desk)
- ▶ **Departure Locations:**
Sori Hotel Hangzhou, Sofitel Hangzhou Yingguan Hotel, Grand New Century Hotel Olympic Sports Hangzhou, Hangzhou Marriott Hotel Qianjiang. Participants of the field trip not staying at any of the above four officially recommended hotels shall assemble and depart by vehicle from the parking lot of North Star Hangzhou International Expo Center Hotel.
- ▶ **Friendly Reminder:**
It has been rainy recently in the Tianmushan Reserve; please bring rain gear. There are many steps on the mountain; comfortable clothing and shoes are recommended.

Tianmushan-Qingliangfeng Biosphere Reserve In 1996, Tianmushan was approved and designated as a Biosphere Reserve by UNESCO. In 2024, through an expansion and merger with Zhejiang Qingliangfeng National Nature Reserve, the present-day Tianmushan-Qingliangfeng Biosphere Reserve was formed. The Tianmushan-Qingliangfeng Biosphere Reserve possesses rich biodiversity, with records of 2,461 species of higher plants, including rare tree species such as *Parrotia subaequalis* and *Taxus wallichiana* var. *mairei*; it is also home to 374 species of vertebrates, with species such as *Muntiacus crinifrons*, *Manis pentadactyla*, and *Hynobius amjiensis* thriving here, collectively composing a moving chapter of harmonious coexistence between humans and nature.

SERVICES AND REMINDERS

Join Our Green Initiatives

- **Paperless Operations:** No printed documents will be provided during the Congress; all documents are available in electronic format.
- **Zero-Waste:** Clearly marked, aesthetically integrated waste sorting stations and a badge collection point are located throughout the venue. On-site volunteers will assist with sorting and answer any questions to ensure all materials are disposed of properly.
- **Sustainable Catering:** The congress will not provide any single-use items, including plastic meal boxes or bottled water. All tableware and cutlery are either biodegradable or reusable. With the exception of the Opening Ceremony on the 22nd, all participants are kindly requested to carry the reusable cup provided by the congress. Water refill stations are conveniently located throughout the venue, in lounges, and at field trip sites.
- **Green Construction & Materials:** Modular and reusable structures and signage have been utilized for all exhibition booths, with items made from renewable materials. After the event, all usable materials will be donated to extend their lifecycle and prevent waste.
- **Carbon Offset:** The total carbon emissions generated by the congress will be calculated and neutralized through investments in carbon offset projects (e.g., green electricity and renewable energy initiatives), thereby achieving a neutral carbon footprint for the event.

Accessibility services

- **Seamless Guidance:** Clear and consistent signage will guide you continuously from arrival at airport and train station drop-offs to all key areas including hotels, conference venues, lounges, dining spaces, and restrooms.
 - **Accessible Seating:** Wheelchair-accessible seating is reserved in both the main hall and all breakout sessions. On-site wheelchair rental is also available for those who require assistance.
 - **Accessibility Coordinators:** Dedicated staff will be available at the information desk to provide immediate assistance with any accessibility-related needs throughout the event.
 - **Volunteer Service:** All volunteers have been trained in accessibility support, including proper guidance, wheelchair assistance, and communication with hearing-impaired participants, to offer help proactively while consistently respecting individual autonomy and preference.
- Contact:** If you require accessibility services at the conference, please contact us in advance by email: biosphere2025CHN@163.com

Medical Services

- Medical stations are available on the 2F of the venue and at each recommended hotel.

Public Emergency Contacts

- **Police:** 110
- **Ambulance:** 120
- **Traffic Accident:** 122
- **CHINA IMMIGRATION SERVICE HOTLINE:** +86 12367

Help & Support

If you encounter any issues, please seek assistance from staff members or volunteers at the venue or in the recommended hotels, and they will be pleased to assist you.
